EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter McDermott on 9/8/97.

2. The application has been amended as follows:

Cancel claims 18-~~20~~²¹

Claim 22 line 11, after "pane" insert --each forming a curved internal passageway--

Claim 27 line 12, after "pane" insert --each conduit forming a curved internal passageway--

3. The following is an examiner's statement of reasons for allowance:

The specific limitation as to the conduit forming a curved internal passageway was discussed in an interview on 6/2/97. The examiner was convinced that this specific limitation, which was not included in the originally filed claims, is allowable since there is no teaching of a curved passageway in the cited art. Applicant's attorney filed an amendment that amends all but two of the independent claims and in the Remarks applicant's attorney argues that the curved

internal passageway is not taught in the art. The examiner amended claims 22 and 27 to include this limitation and allowed all of the claims

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance.
